Sub. - Regarding a well structured Feedback System.

Resp., Sir

As an honest attempt to know about our strengths and weaknesses, if any, and to work on the same to sustain and enhance the overall quality of the institution we collect the feedback from the different stakeholders of our institution annually. For the same we have adopted a well structured Feedback system. The collected feedback is analyzed by the committee, formed for this purpose, and finally submitted to the head of the institution.

The head of the institution takes action on the analyzed report of the feedback. The said feedback is placed on the official website of the institution.

I, herewith request you to take note of the same and oblige.

Thanks.
