DESAIGANJ (WADSA), DIST- GADCHIROLI
STAKEHOLDERS AND WELL WISHERS BOARD
FEEDBACK ANALYSIS AND STUDENT
SATISFACTION SURVEY CELL
ANNUAL REPORT-2019-20**

Introduction:

Our college strives hard to impart knowledge to the students according to the syllabi supplied by Gondwana University, Gadchiroli. While dealing with the prescribed curriculum, we also endeavour to involve our students in various other co-curricular and extra-curricular activities so that they would develop their personalities and would become versatile by nature.

It becomes necessary to supervise and analyse this process of making students ready to face the challenges in their lives. For this there are various committees in the college. Feedback Analysis Committee has been formed to analyse the utility of the syllabi taught in the college. It is pertinent to see whether the curriculum taught in the college is useful in the professional lives of our students. The committee intends to receive opinions of teachers, students, parents, alumni and employers on the usefulness of the curriculum. All these stakeholders are directly or indirectly concerned with the lessons given to the students in the college. Hence the committee has been formed in the college with the following objectives-

Objectives of the Cell:

1. The Cell intends to prepare a questionnaire related to the syllabi taught in B. A., B. Com., B. Sc., M. A. and M. Com.
2. The Cell intends to prepare separate questionnaire for each of the stakeholders, viz, teachers, students, parents, alumni and employers.

3. The Cell intends to take feedback from all these stakeholders separately every year.
4. The Cell will analyse the feedback taken from various stakeholders.
5. The Cell will submit the final report to the Principal.
6. The Cell will convey the report to the University authorities, if necessary.

The Feedback Analysis Committee devised separate questionnaires for different stakeholders for the session- 2019-20. This year we decided to receive feedback online. Accordingly, we sent the links of the questionnaires to all the stakeholders and requested them to submit their responses. They submitted their responses to the committee. The Committee analysed the collected feedback. The details of all the feedbacks collected from various stakeholders have been furnished herewith-
