**Brief Report on  
The Proceedings of Meetings of IQAC,  
Feedback Analysis and Action Taken Report**

The Internal Quality Assurance Cell was established in the college long back on 17<sup>th</sup> September 2004. The Cell has remained active in streamlining the quality culture in the college. The Cell holds regular meetings and constantly interacts with various stakeholders, keeps watch on the yearly feedback taken from them, gives its inputs on systematic execution of teaching-learning process in the college.

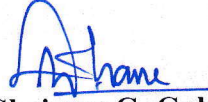

Various issues are discussed in the regular meetings of the Cell and minutes of these meetings are recorded and maintained by the Cell. The minutes of a particular meeting are discussed and reviewed, if needed, in the next meeting and are confirmed unanimously. The resolutions of the Cell are further conveyed to the administration, teaching staff, management and students, and they are appealed to perform accordingly.

Thus, the IQAC plays the catalyst role in streamlining systematic teaching learning process and in introducing various best practices in the college.

The table given below speaks of the regular meetings of the IQAC during 2017-18 to 2021-22.
