WORKSHOP (Session 2021-22)

Topic : RESEARCH METHODOLOGY

Introduction :

Keeping pace with the fast changes in the field of higher education, the institution has concentrated its focus on its three activities-Teaching-learning, Extension and Research. While the teachers and non-teaching staff members are encouraged for participation in faculty development and professional development activities respectively, attempts are made to involve more and more students in research activities on parallel level. To provide the theoretical information about genuine research the institution conducts the classes of Research Methodology regularly for the students of the last year of the degree programme. The institution also conducts workshops on Research Methodology twice in an academic session. In the session 2021-22 two workshops on Research Methodology were conducted. The second workshop, entitled '**Types of Research?**' was held on **26.03.2022**.

Objectives of the Workshops :

1. To brief the students on 'Place and Importance of Research in academic field'.
2. To orient the students on the types of research.
3. To orient the students on the use of Research Methodology during research.
