DESAIGANJ (Wadsa) DIST- GADCHIROLI**

CRITERION:-VI

***6.2.2 Institution implements
e-governance in its operations***

The Annual e-governance report

ADARSH ARTS and COMMERCE COLLEGE

DESAIGANJ, DI-GADCHIROLI

Implementation of e-governance by the institution

Report

(2017-18 to 2021-22)

Adarsh Arts and Commerce College has been trying its best to keep pace with today's fast changing world. In post-accreditation period the institution has adopted many changes on both academic and administrative level. The major changes include starting new courses, subjects, research centre, ICT based teaching-learning, etc. The institution has also digitized its administration to a large extent.

The institution has implemented e-governance in the operation of following-

- **Administration** – The administrators administrate the institution through ICT tools to a large extent.
- **Student Admission and Support-** The admission process to different classes and courses in the institution is done through digital platform.
- **Finance and Accounts** - The finance and accounts of the institution are largely done through digital mode.
- **Examination** - As per the guidelines and policy of the affiliating university, the internal examinations of the institution and University level examinations are run through digital platform.

The stakeholders of the institution are benefitted with speedy process of working and transparency in the work system due to the implementation of digital platform of operating so many things.

The institution has formed a special committee to look into the matters related to e-governance. The institution also makes special budgetary provisions for running and

maintaining e-governance facilities in the college and the e-system provided by the affiliating University.

The institutional expenditure on e-governance in the last five years is as under-

Session: 2021-22	61,161/-
Session: 2020-21	52,450/-
Session: 2019-20	69,500/-
Session: 2018-19	45,850/-
Session: 2018-19	50,700/-
