Dear Prof. Dr. Shankar Gombumal Kukreja Ji,

Greetings from Mahatma Gandhi National Council of Rural Education(MGNCRE), Department of Higher Education, Ministry of Education, Government of India!

We are happy to share that the Swachhta related activities of your Institution have been highly progressive and motivating and recognized by the Ministry and we appreciate your key role in this national endeavour.

Our Project Associate has met your Collector and District Magistrate with regard to promotion of sustainability in your campus. As per the directions of the Ministry of Education we are promoting Swachhta and Jal Shakti in the Higher Educational Institutions in the country. We would like to conduct an offline interaction and campus visit for promoting Swachhta and Sustainable Campus initiatives by fixing up a day and time of convenience in the coming weeks.

The areas of experience sharing include aspects of **Swachhta in Campus, Campus Jal Shakti (Water Conversation in campus), and Sustainable Practices in Campus.**

In this context, we request you to organize this interaction with selected and relevant faculty members, administrative staff, students and other stake holders of your esteemed institution on the date of mutual convenience. Our Project Associate for Swachhta and Sustainability will visit and conduct Swachhta Action Plan Workshop for the participating faculty members and other stake holders. All Faculty members and other Stakeholders who participate in the workshop would strive for promoting 1. Greenery 2. Water management 3. Sanitation management 4. Waste management and 5. Energy conservation and solar energy in the Campus.

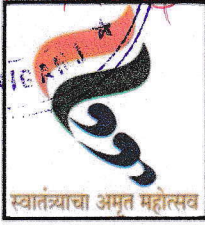

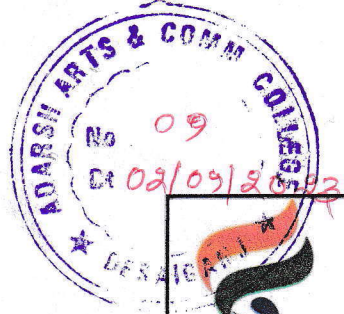

Our Project Associate, shri Saurabh shambharkar (8412911894, saurabh.mgncre@gmail.com) will be connecting with your office in this regard. He can be reached for all clarifications.

We look forward for your contribution to this national endeavour in promoting sustainable practices in the higher educational institutions.

Thanking you.

Yours sincerely

Dr W G Prasanna Kumar
